

Diocese of St. Albans

ST MARY'S
CE HIGH SCHOOL

August 2020

Dear Parents/Carers

During the last academic year (2019/2020) the Governors and I made the decision to change our catering provision, contracting it out to a catering company. The selection process was a rigorous one, where we selected one company out of six who tendered for the contract.

We chose Caterlink because they are education catering specialists who promote healthy eating and who offer a wide range of value food and drink and whose standards met our expectations and the standards we want for the students.

Restrictions to what we can do in school at the moment mean that what Caterlink will provide in the Autumn Term will be different to what they will provide in the future when we can return to normal. The provision will be a variety of hot and cold 'grab and go' items at the moment, whereas the normal provision will be choices which includes plated food and main meals as well. The changes to the menu for the first term are entirely due to Covid-19.

Caterlink have over 20 years of experience in school catering services and, as well as meeting the government standards for Food in Schools and the allergy requirements, they have nutritional experts involved in the development of their menu lines.

There is a commitment that there will be no price rises in 2020/21 (except for rounding to the nearest 0 or 5p) for any items sold previously and any prices for new items will be set at an appropriate level and will have been agreed with the school.

The menu has a range of popular constants, with some variation each day on a two week basis. Menus will be available for students in school, but some examples are below.

I hope you find this information useful and strongly encourage your son/daughter to use the service.

Yours faithfully

Nicholas Simms
Headteacher
