Dear Parents/Carers

Please see below information from Hertfordshire County Council about their latest parent/carer survey. Please read the information below on this survey. This is not a St Mary's School initiative, so we are unlikely to be able to answer any questions:

New parent / carer survey Partners from across the Hertfordshire mental health system (led by the Public Health team at Hertfordshire County Council) have worked together to develop a short survey for all parents / carers of children and young people living or being educated in Hertfordshire. The survey is completely anonymous unless you choose to leave your email address at the end, and should take you around 10 minutes to complete. Covid-19 has been a difficult time for many of us and mental health and wellbeing information, services and support have often had to be delivered or accessed differently. We want to ensure that we are supporting families across the county as effectively as possible - your answers to these questions will help us to do this. The survey can be accessed via [this link](#) and will close on Monday 17th May.

Yours faithfully

Nicholas Simms
