

15 November 2022

Dear Parents/Carers

Whilst we have had very mild weather so far this autumn, we are undoubtedly moving into colder weather now. There are a number of initiatives that local churches, and Hertfordshire Local Authority and NHS are starting to help families in need of support during cold weather.

Firstly, the 'Warm Spaces' flier from the local churches will tell you when they are open to provide hot drinks, snacks or food, activities and chat.

Secondly, Hertfordshire LA and NHS have issued the 'Winter Health' flyer which offers support and guidance. You may have received this through your letter box, but I am aware a number of families who, for whatever reason, have not and am sharing it to all our community.

Please find both these documents attached for your reference.

As these initiatives are not for St Mary's children and families alone, please feel free to send on to friends and family in the area who you feel may benefit from them.

Yours faithfully

Nicholas Simms
Head Teacher
