

St Mary's CE High School Curriculum Map 23-24

Year 10 BTEC Art

The Art department aims to promote an awareness of the visual language as a means of communication. With this, students can develop their imagination and creative expression to communicate and understand their thoughts and concepts of the world they live in. Curiosity is developed through the exploration of subject, materials and techniques. Our aim is to provide an exceptional learning experience through a curriculum that engages, empowers and encourages students to reach their highest potential in the area of art.

	Autumn 1a	Autumn 1b	Spring 2a	Spring 2b	Summer 3a	Summer 3b
CONTENT <i>Declarative Knowledge – ‘Know What’</i>	Communicating Ideas in 2D Explore 2D visual language and working practices. Investigate 2D artists, craftspeople and designers. Apply 2D visual language using materials, equipment and techniques, observing and recording safe working practices. Apply 2D visual language, selecting and using a diverse range of materials, equipment and techniques effectively and with consistency. Apply 2D visual language, combining	Communicating Ideas in 2D Explore 2D visual language and working practices. Investigate 2D artists, craftspeople and designers. Apply 2D visual language using materials, equipment and techniques, observing and recording safe working practices. 				How to initiate and develop ideas which might be generated through recording from a range of different sources.	How to initiate and develop ideas which might be generated through recording from a range of different sources.	Understand the requirements of a brief through learning about. How to initiate and develop ideas which might be generated through recording from a range of different sources.
Skills <i>Procedural Knowledge – ‘Know How’</i>	Practical understanding and working knowledge of 2D media and processes. Use of 2D media and applications: Paint, pencil, chalk/charcoal, ink and wash, mono print and lino printing. Multi Media and digital media – photography/ Photoshop	Practical understanding and working knowledge of 2D media and processes. Use of 2D media and applications: Paint, pencil, chalk/charcoal, ink and wash, mono print and lino printing. Multi Media and digital media – photography/ Photoshop	Practical understanding and working knowledge of 2D media and processes. Use of 2D media and applications: Paint, pencil, chalk/charcoal, ink and wash, mono print and lino printing. Multi Media and digital media – photography/ Photoshop	Practical understanding and working knowledge of 3D media and processes. Use of 3D media and applications: Clay relief, clay moulding / ceramic, paper/card construction, plaster casting, assemblage and installation art. Transcribing Annotation	Practical understanding and working knowledge of 3D media and processes. Use of 3D media and applications: Clay relief, clay moulding / ceramic, paper/card construction, plaster casting, assemblage and installation art. Transcribing Annotation	Practical understanding and working knowledge of 3D media and processes. Use of 3D media and applications: Clay relief, clay moulding / ceramic, paper/card construction, plaster casting, assemblage and installation art.

Key Questions	<p>What is my current attainment target? How can I improve my artwork? How can I achieve my target grade? What do I need to do in order to refine my skills further? What do I have to do to master this process or skill? Have you completed the brief? Is your final piece fit for purpose?</p>	<p>What is my current attainment target? How can I improve my artwork?
