

Year 11 Destination Data 2023

We were very proud of our Year 11 Students in the 2023 summer exams. They achieved well, against the back drop of disruption to their education due to covid, in Year 8 and Year 9 and were awarded some excellent results.

Many stayed on to our own 6th form, whilst others pursued their interests through apprenticeships or college. We have an excellent record of results in the 6th form, as well as outstanding 'progression data' for students once they leave Y13; we know these students will do really well in two years' time.

Nicholas Simms, Headteacher

Date of Leaving	Number of Students	% SMHS Sixth Form	% FE College	% Apprenticeship	% Other Sixth Form/College	% Other
Summer 2023	179	35%	49%	0%	14%	2%
