Deloitte ASPIRE Insight Event – 1st Feb

If you're in year 12, ASPIRE is a powerful opportunity to find out more about your passions and talents. Deloitte believe that it's not about where you're from – but where you're going. In a world of inequality, helping to redress the balance has never been more important. Shaping a fairer society that values everyone is a priority for Deloitte – and ASPIRE is part of that.

What will I get out of it?

- An insight into what programmes Deloitte offer.
- A certificate for attending the event to put on your CV.
- A chance to network with potential employers.

What will I get to do?

Here's your chance to see how different career paths align to your unique talents and strengths. You'll take a closer look at Deloitte life and get to grips with what each of our business areas actually does. You'll even get to take part in immersive case studies, develop life skills and benefit from employability sessions that'll help to set you up for your future career.

Warner Bros. Discovery's Championing Apprenticeship Virtual Event!

Warner Bros. Discovery's Early Talent Team is hosting a virtual event - Championing Apprenticeships - on Tuesday 6th February at 6:00PM GMT in support of National Apprenticeship Week and we would love to invite you to attend!

Through this conversation, attendees will get the opportunity to hear from their current apprentices and how the different projects they have worked on has provided them with the #SkillsforLife.

Don't miss out and learn how an apprenticeship can make an impact on what's next for you! Register [here](#)

St George's University Hospitals NHS Foundation Trust

St George's Medical Education Society

St George's, University of London Medical Education Society has an exciting opportunity for any current year 12 students who have an interest in applying to study Medicine in the future. St George's are holding a free conference on the 10th and 11th of February in person at St George's, University of London from 9am-3pm. This conference will include morning talks on many aspects related to medical school applications, which will be delivered by current medical students and doctors. This will be followed by a lunch break followed by afternoon practical skills workshops.

Their aim of this free conference is to support any students in their process of applying to medical school, but they are particularly interested in supporting students from Widening Participation backgrounds. Due to this, their conference will be entirely free to attend for all, and they will be collaborating with a charity called Medics&Me.

Medics & Me

St Georges Medical Education Society

APPLICATION CONFERENCE 2024

SGUL MedEd (Medical Education society) is a student-led society based at St George's University in London which aim to help prospective students in their medical applications. We have collaborated with Medics&me, a charity organisation which is passionate in widening access to medicine.

Our Medical application process conference will be taking place on the:
10th & 11th February
9am-3pm
St George's University of London.

Some of our talks will include

- General Medicine application Process
- Entrance exams including UCAT, BMAT and GAMSAT
- Personal statement
 - Ox-bridge
 - Interviews
- Rejections and gap years
 - Finances

We will be having afternoon workshops to help you understand what a career in medicine and allied healthcare involves and a chance to ask current medical students any questions regarding university and careers.

Thinking about University? Think Cambridge.

Think Cambridge is a three-week long series of webinars to inspire Year 11 and 12 students to apply to Cambridge.

What will I get out of it?

You'll find out about all things Cambridge with anecdotes and stories from our student ambassadors in every webinar. In week two, they'll be joined by lecturers and admissions tutors, who will introduce you to the amazing facilities available at Cambridge, and the projects students are working on. They'll finish the series by giving you all the advice and resources you need to find out more, and to continue your journey towards study at the University of Cambridge.

2024 Webinar Series

The series runs from January to February 2024. Each session is hosted virtually and consists of a presentation, comment from our student ambassadors and additional visual elements.

STUDENT CRIBS
STUDENT-CRIBS.COM

A paid work opportunity at Student Cribs for recent school leavers. Student Cribs are a leading university student accommodation provider, currently in 25 cities across the UK.

Their Assistant Portfolio Manager Program is aimed at students after they have finished school, who are looking to gain professional office-based experience with a competitive salary of £22,000 pro rata. It would be the perfect opportunity for someone who is deferring their university place or is looking for employment straight out of school.

The following video will give you a better insight into what the role entails from some of their current school leavers:
<https://youtu.be/NKwkzTTn35A>

They are hiring across their London offices, for a minimum of 3 months between June 2024 – January 2025 (many choose to extend their stay and even accept permanent job offers!).

Widening Access to Medicine Taster Course and Virtual Work Experience

This is a free-of-charge 4-day Virtual Work Experience and Taster Course for Year 12 students, designed to increase the applicant's knowledge of the role of doctors and the training they undergo. The taster course will provide opportunities to develop interpersonal skills, increase awareness of the undergraduate medical student experience and support students in their applications to study Medicine.

EXPLORE YOUR OPTIONS TO STUDY MEDICINE

In person Taster Course and Virtual Work Experience

Tuesday 9 – Friday 12 April 2024

Are you in Year 12? Do you dream of being a doctor but don't know where to start?

Our free 4-day Widening Access to Medicine Taster Course and Virtual Work Experience will help you explore how you can study medicine. Applications are now open. Eligibility criteria apply.

To find out more visit:
www.southampton.ac.uk/schools-colleges/widening-access-to-medicine-residential-page
www.facebook.com/unisouthamptonmedicine
[@uniSM_Medicine](https://twitter.com/uniSM_Medicine) [youtube.com/medicine](https://www.youtube.com/channel/UCu8u8u8u8u8u8u8u8u8u8u8)

The Widening Access to Medicine event includes:

- 2 days of live virtual work experience with University Hospital Southampton experiencing ward rounds, outpatient clinics, talks with a variety of clinicians and medical students and more. This will be delivered through Microsoft Teams.
- In person Q&A with clinicians
- In person practical workshops with medical students and staff
- Clinical skills and other topical sessions
- Interview techniques and application support
- Sessions on UCAT and completing your application
- Support of a medical student mentor

Please see an example of the **course programme**.

This opportunity is for Year 12 students who want to study Medicine at university and intend to apply through a widening access programme, or contextual admissions route. To qualify for this event, you will need to be studying A Level Biology and one additional science, be under 18, and meet at least two of the following eligibility criteria:

- First generation applicant to Higher Education
- Parents, guardian, or self in receipt of a means tested benefit
- Young people looked after by a Local Authority
- In receipt of 16-19 bursary or similar grant (1)
- Resident in an area with a postcode which falls within the lowest 20% of the IMD (2) (Index of Multiple Deprivation), or a member of a travelling family.
- In receipt of free school meals at any time during Years 10-13 (normally for a minimum period of at least one school term/2 months).
