

Year 11 Destination Data 2024

We are incredibly proud of our Year 11 students and all they have accomplished following their recent GCSE exams. Their dedication and hard work have truly paid off, and we are delighted to see so many of them excelling. A large number of our students have chosen to continue their academic journey with us at St Mary's Sixth Form, while others have pursued their individual interests through alternative pathways. This reflects not only the strength of the supportive community we've built but also the exceptional quality of education and guidance they've received here. Our Sixth Form boasts an excellent track record of results and outstanding progression data for students once they complete Year 13. With this foundation, we are confident that these students will continue to thrive and achieve great success in the coming years.

Date of Leaving	Number of Students	% SMHS Sixth Form	% FE College	% Apprenticeship	% Other Sixth Form/College	% Other
