unifrog UNIVERSITY FAIR

Tuesday 14th October 2025

Unifrog University Fair

Students will:

- Meet 32 top UK universities including Durham University, University of Aberdeen, and University of Exeter
- Get advice on researching and applying to university at live sessions led by university representatives

The fair is free for all students and ideal for Y10-13, making it easy for students across year groups to connect with a diverse range of universities. There's also a session for parents and carers about supporting university applications.

Sign up links (14 Oct, 4 - 6.30pm)

Future Doctors Month - Free Online Programme November 2025

Throughout November, students can take part in Future Doctors Month, a completely free, month-long virtual programme. 6 live sessions with NHS doctors (case studies, clinical skills, medical ethics). Recordings available for 60 days, so students can watch on-demand. End-of-programme knowledge test with an official Certificate of Completion (ideal for UCAS applications).

Open to students aged 14+ who might be considering careers in medicine. 2,000 students are expected to take part, making this one of the largest pre-medical events of its kind.

Register for Future Doctors Month

1-Day London Medicine Work Experience Events – October 2025

For students who would like in-person experience, there are two full-day events at University College Hospital, London:

Saturday 25th October – A&E + GP Surgery

Sunday 26th October – On-Call Doctor for a Day

These immersive days give students a realistic insight into life as a doctor, with hands-on activities and guidance from NHS professionals. They're ideal for students interested in careers in medicine or healthcare and provide certificates for your future applications to med school.

Full details: **Medicine Work Experience Day Event**

Virtual Work Experience – Healthcare Science

In this programme, you'll explore the key areas of healthcare science, from life sciences and physiological sciences to physical sciences, learning how these fields work together to improve patient care.

Healthcare science is behind some of the most important parts of patient care – from blood tests and scans to tracking diseases and developing new treatments. Click **here** to take part.

Is University right for me? Friday, 17 Oct 2025 18:00 - 20:00

Ever wondered what it's really like to be a Uni student? Join Royal Holloway University for a fun and informative event where they spill all the tea on student life! By The Department of Psychology, Royal Holloway University of London

Dr. Talbot, a Forensic Psychology researcher and Teaching Fellow at Royal Holloway, will offer a thought-provoking presentation on the realities of university life. He will tackle prevalent misconceptions, exploring the genuine nature of the university experience, and emphasise the importance of early career planning. Dr. Talbot will provide a nuanced perspective on how university differs from school, and will provide an honest and reflective discussion on the pitfalls that can arise whilst future planning in your late teens/early 20s. Additionally, he will address when university might not be the best fit, helping students to make well-informed decisions about their future.

6:50 PM - 7:30 PM

Conversations with Royal Holloway Psychology Undergraduates
Post your questions (via Padlet) and hear directly from their current university psychology undergraduates as they share their experiences around adjusting to university life, gaining work experience and any benefits/ regrets that have arisen from their choices.

Can We Make Our Memories More Powerful? Wednesday 15 October 2025

What is memory? Does it matter if we forget? Can we strengthen our memory? Memory is being able to recognise people, places - it is essential for all our waking moments, but it is malleable, fallible and open to suggestion. In this lecture, our Psychology Lecturer, explains how our memories work, discusses the 'Seven Sins of memory' (Schacter 2001), and explores creative ways to investigate and strengthen our memories, like through the power of music and smell. Real World Lectures are aimed at students interested in studying Psychology.

The Death Penalty: Is the human right to life absolute? Wednesday 5 November 2025

How does the death penalty fit with one of our most fundamental human rights — the right to life? Come along to this thought-provoking lecture and explore how international treaties, global declarations, and the European Convention on Human Rights all address this issue. We'll also look at how the death penalty is applied in practice, focusing on examples from around the world, including the US, and consider the barriers to justice it creates. This is a chance to connect theory with real-world issues, challenge your thinking, and build your understanding of human rights in action.

YOUNG PROFESSIONALS

Young Professionals Parent / Guardian Information Evening
Thursday 16th October, 6pm - 7:30pm

Young Professionals are excited to invite you to an exclusive online parent/guardian event designed to provide valuable insights into how you can support your child in making informed career choices when they leave school/university.

This is a fantastic opportunity for you to learn how to help your son or daughter gain a foothold in the world of work with the many major brands (mentioned below) from various sectors who will be joining us for the event.

This event will touch upon applying to corporate roles and the application process, commercial awareness and how young people can develop these skills as well as highlighting degree apprenticeships, what they are and key deadlines to make applications.

There will also be breakout room sessions with sector-specific panels and workshops that you and your child can participate in throughout the evening. Please note that to join the breakout rooms, you will need the Zoom app on your laptops or phones.

Employers Involved:

- Law: Mishcon de Reya, Clifford Chance, A&O Shearman, University of Law
- Business/Finance: KPMG, PwC, BDO, CIMA, RSM
- STEM: Wates, RAF, The Army, National Grid

This event will provide you with an in-depth understanding of the career and work experience prospects for your child in sectors such as Finance, Data, Technology, Law, Engineering, and different Corporate Functions.

The whole session will be led by the direct hiring managers at these global firms, so you'll learn from the very best on how to support your child as they transition from education to the professional world with leading brands.

We would encourage you to join this event with your child to get the most out of this session.

Pathways to Law

Queen Mary are excited to announce that applications are open for their **Pathways to Law programme**, delivered in partnership with the Sutton Trust.

This unique opportunity is designed for eligible Year 12 students (or equivalent) who are interested in exploring careers in Law.

Overall, the programme offers a comprehensive introduction to the legal field through a variety of activities, such as lectures, seminars, mock trials and law-in-practice sessions. Additionally, students will have the opportunity to apply for work experience placements and have the opportunity to apply for a National Conference in the summer.

The programme runs from the start of Year 12 through to April of Year 13. Programmes are free to attend and travel reimbursements are available to cover the costs to and from in-person sessions.

All students accepted onto Pathways to Law will be offered a place on the Sutton Trust Online Core programme delivered on Sutton Trust Online. This 18-month structured programme will provide additional support and exclusive content from Causeway Education and other university partners to help students explore, apply to, prepare for and succeed at leading universities or apprenticeships.

Browne Jacobson

October Law Work Experience
Tuesday, 28th October from 9:00am - 4:15pm

If you're an aspiring solicitor/ barrister/legal professional, there's one event that you absolutely cannot miss this year—the Browne Jacobson Law Virtual Work Experience

Why is this THE must-attend law careers event of the year?

It's simple: your career prospects will increase with attendance. This event is packed with unrivalled legal insights, an incredible line-up of exclusive speakers, and hands-on career advice from the most prestigious legal figures in the UK. Whether you're planning to work in private practice, join an in-house legal team, or carve your path as a barrister, this event covers everything you need to secure the career of your dreams.

In addition, you will be the first to hear about the brand-new Barrister Apprenticeship programme. Browne Jacobson will be one of the first UK law firms to offer this route, and they will launch their applications at the event!

Star-Studded Line-Up:

We're thrilled to announce our keynote speaker, Ellie Reeves (Rachel Reeves' younger sister, the UK Chancellor of the Exchequer), a British barrister and politician who has served as Solicitor General for England and Wales since September 2025.

Other Speaker Line-up (and many more)

Jonathan Tardif, Head of Commercial Disputes
Barbara Mills KC, Chair of The Bar Council & Deputy High Court Judge
Mark Evans, the brand new President of the Law Society

From in-house legal advice to barristers' insights and a special personal branding session, you'll gain practical knowledge, understand what legal employers are looking for, and most importantly, it'll help you create an application which stands out in some of the UK's most competitive recruitment processes.

Why Attend?

This event is your direct access to the brightest minds and most successful people in law and a chance to gain actionable advice on navigating your legal career. Whether you're aiming for a law firm, chambers, or an in-house role, the Browne Jacobson FAIRE Virtual Insight Event is designed to help you get there faster, smarter, and with confidence.
